**DOME
SPACES**

Domester is an Eco-friendly Geodesic Dome used for camping, living or private oasis. The Domester is constructed from galvanized steel on the inside and the extra strong PVDH on the outside. Enjoy the sleek look, strength and durability.

Each Domester is fully equipped ready for assembly. Included with each unit

- Choice of exterior color constructed in PVDF
- Glass front with double door and screened windows
- One screen vent
- Interior supports are galvanized steel structure in white

Optional equipment

- Solar fan
- Skylight constructed using PVC

Domester SDS is a modern steel structure S shape dome with an exterior shell constructed from PVDF with a large glass front that includes a door and working windows. Bring all the comforts of home to the great outdoors with a Domester SDS. From its spacious interior and premium appointments that are included you will be surrounded by signature Domespaces futuristic style and luxury. Domester SDS is exceptional at holding up against snow, wind, and rain. Domester SDS units are great on and off grid.
